THE UNITY KEYBOARD TRAY™

For the healthiest sitting position every time

Lightweight & Portable!

Unity Keyboard Tray is designed to be used anywhere you use your computer. Perfect for long hours at the library, shared office space, or other multiple user workstations. Convenient built-in handle lets you carry it with you. (Shoulder strap included)

Pillow is also storage area!

Pillow zips open to store keyboard, mouse and other small, lightweight items. NOTE: not designed to store laptop of heavy weight.

Under-desk UKBT Holder

Mounts UKBT to underside of work surface for easy access and to keep it off the floor or desktop, freeing up space. (sold separately)

Made for right and left handed operation

THE UNITY KEYBOARD TRAY™
