

## CASSIOPEIA Desktop Sit-Stand Retrofit

- Generous amount of fully accessible worksurface. Use *any* ergonomic keyboard (Microsoft Natural, Kinesis Freestyle, Goldtouch, etc.) or mouse (Handshoe Mouse, Contour Design RollerMouse, etc.) in comfort with real estate to spare!
  - Upper Worksurface is 26.75" x 23" (DSS-27) or 35" x 23" (DSS-36)
  - Keyboard Tray is 26.75" x 12.75" (DSS-27) or 34.5" x 12.75" (DSS-36)
- Effortless dual gas lifts provide keyboard tray height adjustment from 1" to 15" above the desk with 11 easily selectable settings between 6.5" and 15"
- Efficient X-style lift design requires only 22.5" of depth on desk
- Intelligent pinch-point free design.
- Rated at 35 lbs

**Safety Scissor Lift design alleviates pinch points for stray fingers.**  
**Built in cable managers and included cable ties help to keep your work area tidy.**
